1940 Introduction

## GLORIA BACHER, (Tudor-Guntle)

We have decided to release this great dahlia, declared by many dahlia critics the best purple dahlia to date. A formal decorative—bush 5½ feet, tremendously vigorous, with dark leathery foliage and stems unrivaled by any dahlia we have ever grown. Huge flowers growing in the field 8 to 9½ inches in diameter, 6½ to 7 inches in depth. Color: clear dahlia purple varying in lighter tones at the rolled edges, glowing rhodamine purple in bright light. Keeping qualities ideal.

In addition to winning the American Home Achievement Medal, it won first in undisseminated varieties at the Indiana State Fair, honorable mention at the A. D. S. show, first and the special award at the Ohio Valley Dahlia Association show.

Root stock limited, \$10.00; plants, \$3.50.

It is with pleasure I am sending you my 1940 dahlia folder. I hope you will appreciate receiving it as much as I appreciate sending it to you.

We also express our appreciation and sincere thanks to those who purchased our stock last year, and are grateful for the many letters commending our stock, our square dealings, and telling of the success with the roots and plants purchased from us.

We guarantee our stock and consider no sale complete until you are entirely satisfied.
